CAPTAIN ACTION SPOONS

Bomber Saltwater Grade® is thrilled to announce the addition of Captain Action Spoons to the family in 2010. Since 1953, Captain Action Spoons have been delivering quality and performance to fishermen around the world. Built using heavy duty nickel swivels, stainless steel split rings, heavy gauge stainless steel blades, stainless machine screws and beefy saltwater hooks, Captain Action Spoons are made for punishment. A proven design and fish catching action put these spoons at the top of the category.

Captain Action Spoons are available in five sizes from 2 1/8-inch to 5 3/8-inch and in Banana and Silver.
