

Directory of Providers

Blue Advantage
from Blue Cross and Blue Shield of Alabama

About this Provider Directory

This directory contains a listing of the names and specialties of providers in the Blue Advantage network.

This directory lists network physicians and hospitals as of the date that it is published. Physician affiliations with hospitals and/or participation with hospitals may change over time. Blue Cross and Blue Shield of Alabama reserves the right to add or delete physicians, hospitals and/or other health care providers at any given time. Blue Cross and Blue Shield of Alabama cannot guarantee the continued participation of any one doctor, hospital or other health care provider. You should verify your provider's network membership by checking with his or her office prior to receiving services. Anytime, day or night, you can find the most current listing of network providers on our web site at www.bcbsal.com.

You can reduce your out-of-pocket costs for covered services by choosing a network provider. However, if you choose to receive health care from an out-of-network provider, please check your Summary of Benefits for your out-of-pocket cost amounts. If you choose to use an out-of-network provider, you may be responsible for filing your own claims with Blue Cross and Blue Shield of Alabama to determine patient liability, if any.

If you need help locating a Blue Advantage network provider, please call Customer Service at 1 888 234-8266 (TTY – 1 800 257-3384) Monday through Friday, 8 a.m. to 5 p.m.
