# Pharmacy Directory

This booklet provides a list of Blue Cross and Blue Shield of Alabama's Blue Advantage network pharmacies. This directory is for the Blue Advantage service area and includes pharmacies that are in our network but are outside these 19 counties. All network pharmacies may not be listed in this directory. Please contact Blue Cross and Blue Shield of Alabama at 1 888 234-8266, Monday through Friday between 7:30 a.m. and 6:00 p.m. for additional information. Pharmacies may have been added or removed from the list after this directory was printed. To get current information about Blue Advantage network pharmacies in your area, please visit our Website at [www.bcbsal.com](http://www.bcbsal.com) or call our Customer Services Department at 1 888 234-8266, Monday through Friday between 7:30 a.m. and 6:00 p.m. (TTY/TDD Users should call 1 800 257-3384.)

## **Introduction**

This booklet provides a list of Blue Advantage's network pharmacies and includes some basic information about how to fill your prescriptions with Blue Cross and Blue Shield of Alabama. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by Blue Advantage. In most cases, your prescriptions are covered under Blue Advantage only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription, you can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described later.

### **Can the list of network pharmacies change?**

Yes, Blue Cross and Blue Shield of Alabama may add or remove pharmacies from our Blue Advantage pharmacy directory. To get current information about Blue Advantage network pharmacies in your area, please visit our Website at [www.bcbsal.com](http://www.bcbsal.com) or call our Customer Services Department at 1 888 234-8266, Monday through Friday between 7:30 a.m. and 6:00 p.m. (TTY/TDD Users should call 1 800 257-3384).

### **How do I find a Blue Advantage network pharmacy in my area?**

This directory is organized by Alabama county and then by city name. First, locate the section of the directory for the county where you are located, then locate the city name. Following under the city name should be a list of network pharmacies in the area including address and phone numbers.

Or, you can visit our Website at [www.bcbsal.com](http://www.bcbsal.com) or call our Customer Services Department at 1 888 234-8266, Monday through Friday between 7:30 a.m. and 6:00 p.m. (TTY/TDD Users should call 1 800 257-3384).

### **How do I fill a prescription at a network pharmacy?**

To fill your prescription at a network pharmacy, you must show your Blue Advantage ID card. If you do not have your ID card with you when you fill your prescription, you may have to pay the full cost of the prescription (rather than paying just your co-payment). If this happens, you can ask us to reimburse you for our share of the cost by submitting a claim to us. To find out how to submit a claim, look in your Evidence of Coverage or call our Customer Services.

### **How do I fill a prescription through Blue Advantage's mail order pharmacy service?**

Blue Advantage members wishing to order prescriptions by mail may use Walgreens Mail Services or Pharmacare Direct. Patient Profile Enrollment forms are included in your enrollment packet. Please follow the information on the enrollment forms when ordering prescriptions through one of the mail service companies.

To receive your prescription medication by mail:

- Ask your physician to write two prescriptions: one for an initial 30-day supply to be filled by your local pharmacy and one for the maintenance quantity through the Mail Order Prescription Drug Program, with appropriate refills.
- Complete the patient enrollment form for one of the mail service providers included in your enrollment packet. This form is only required with your first order.
- Mail your patient enrollment form, your original written prescription(s) and payment (check, money order or credit card information) to the address on the patient enrollment form.

To get additional order forms or information about filling your prescriptions by mail, please call Customer Services Department at 1 888 234-8266, Monday through Friday between 7:30 a.m. and 6:00 p.m. (TTY/TDD Users should call 1 800 257-3384).

Please note that you must use Walgreens Mail Order or Pharmacare Direct mail order service. Prescription drugs that you get through any other mail order service are not covered. You are not required to use mail order prescription drug services to obtain an extended supply of maintenance medications. Instead, you have the option of using a retail pharmacy in Blue Advantage's network to obtain a maintenance supply of medications. Please look in the Evidence of Coverage or call our Customer Services Department at 1 888 234-8266, Monday through Friday between 7:30 a.m. and 6:00 p.m. (TTY/TDD Users should call 1 800 257-3384) for more information.

Your prescription will be delivered to you, postage paid by U.S. Mail or other carrier within approximately 14 days from receipt of the order. Prescriptions can be shipped via overnight carrier for an additional charge.

### **Filling prescriptions at a non-network pharmacy**

The following are a few exceptions when we will pay for a prescription filled at a pharmacy outside of our network.

#### Getting coverage when you travel or are away from the plan's service area

If you take a prescription drug on a regular basis and you are going on a trip, be sure to check your supply of the drug before you leave. When possible, take along all the medication you will need. You may be able to order your prescription drugs ahead of time through our mail order pharmacy service.

If you are traveling within the United States and territories and become ill, lose or run out of your prescription drugs we will cover prescriptions that are filled at an out-of-network pharmacy.

In this situation, you will have to pay the full cost (rather than paying just your co-payment) when you fill your prescription. You can ask us to reimburse you for our share of the cost by submitting a claim form. If you go to an out-of-network pharmacy, you will be responsible for paying the difference between what we would pay for a prescription filled at an in-network pharmacy and what the out-of-network pharmacy charged for your prescription. To learn how to submit a paper claim, please refer to the paper claims process described later.

You can also call Customer Service to find out if there is a network pharmacy in the area where you are traveling. If there are no network pharmacies in that area, Customer Service may be able to make arrangements for you to get your prescriptions from an out-of-network pharmacy.

We cannot pay for any prescriptions that are filled by pharmacies outside of the United States and territories, even for a medical emergency.

What if I need a prescription because of a medical emergency or because I needed urgent care?

We will cover prescriptions that are filled at an out-of-network pharmacy if the prescriptions are related to care for a medical emergency or urgent care. In this situation, you will have to pay the full cost (rather than paying just your co-payment) when you fill your prescription. You can ask us to reimburse you for our share of the cost by submitting a paper claim form. If you go to an out-of-network pharmacy, you may be responsible for paying the difference between what we would pay for a prescription filled at an in-network pharmacy and what the out-of-network pharmacy charged for your prescription. To learn how to submit a paper claim, please refer to the paper claims process described later.

Other times you can get your prescription covered if you go to an out-of network pharmacy

We will cover your prescription at an out-of-network pharmacy if at least one of the following applies:

- If you are unable to obtain a covered drug in a timely manner within our service area because there is no network pharmacy within a reasonable driving distance that provides 24-hour service.
- If you are trying to fill a prescription drug that is not regularly stocked at an accessible network retail or mail-order pharmacy (including high cost and unique drugs).
- If you are getting a vaccine that is medically necessary but not covered by Medicare Part B and some covered drugs that are administered in your doctor's office.

**Before you fill your prescription in either of these situations, call Customer Service to see if there is a network pharmacy in your area where you can fill your prescription.** If you do go to an out of network pharmacy for the reasons listed above, you will have to pay the full cost (rather than paying just your co-payment) when you fill your prescription. You can ask us to reimburse you for our share of the cost by submitting a claim form. If you go to an out-of-network pharmacy, you may be responsible for paying the difference between what we would pay for a prescription filled at an in-network pharmacy and what the out-of-network pharmacy charged for your prescription. To learn how to submit a paper claim, please refer to the paper claims process described next.

**How do I submit a paper claim?**

When you go to a network pharmacy your claim is automatically submitted to us by the pharmacy. However, if you go to an out-of-network pharmacy because of the reasons listed above, the pharmacy may not be able to submit the claim directly to us and you will have to pay the full cost of your prescription. When you return home, simply submit your claim and your receipt to the following address:

Blue Cross and Blue Shield of Alabama  
450 Riverchase Parkway East  
Birmingham, Alabama 35244

Upon receipt, we will make an initial coverage determination on the claim. Please refer to your Evidence of Coverage or call Customer Service for more information on initial coverage determinations.
