

DIRECTORY OF PARTICIPATING CHIROPRACTORS

**BlueCross BlueShield
of Alabama**

An Independent Licensee of the Blue Cross and Blue Shield Association.

INTRODUCTION

This directory contains a listing of the names of providers in the Blue Cross and Blue Shield of Alabama Participating Chiropractor program. This directory represents our most current listing as of March 14, 2006. You can verify the Participating Chiropractor status of a provider by checking with his or her office. You may also check our online provider directory at www.bcbsal.com for the most current information available.

WHY USE A PARTICIPATING CHIROPRACTOR?

It is to your advantage to visit a Participating Chiropractor for your chiropractic services. The Participating Chiropractor will file your claim for you, relieving you of the hassles involved with filing the claim yourself. The Participating Chiropractor will also accept Blue Cross' allowance (along with any deductible and coinsurance due from you) as payment in full, so you won't be balance-billed for any over-range charges.

HOW TO USE THIS DIRECTORY

This directory is designed to help you quickly find a Participating Chiropractor in your area. Participating Chiropractors are arranged by county and city and are listed alphabetically by the provider's last name. A complete street address and phone number is provided for each chiropractor.

An alphabetical index of Participating Chiropractors is also provided at the back of this directory. It references the page on which each provider's name appears, and allows you to quickly find the office location for a specific provider.

To get the most out of your benefits, always use Participating Chiropractors. It's easy. Simply choose from those listed in this directory, and then verify with their office that they are still a Participating Chiropractor. Remember to always show your Blue Cross identification card when using these providers.
