

funny car, serious service.

Truly Nolen is the world's leading family owned pest control company. Dependability, commitment to customer satisfaction and our unique "Family Friendly" approach have formed the cornerstone of our success since 1938.

Termites

- 2 billion dollars in damage in the US every year
- Conventional homeowners insurance will not pay for repairs
- Can enter your home through cracks as small as 1/64 of an inch

Ants

- Inflict painful bites and stings
- Spread Bacteria
- Transmit Disease
- Contaminate food

FREE INSPECTION

Call today and have your home examined by one of our professional inspectors. We will inspect your home, inside and out, and provide you with a written report of our findings, **free**. No Kidding! Just call 1-800-GO-TRULY or log on to trulynolen.com to schedule your **free** inspection today.
