

LAKE FOREST
BAR & GRILL

The logo is designed to look like a scroll. It features a light beige background with a dark olive green border at the top and bottom. Four decorative corner tabs, each consisting of a small red square with a green center, are positioned at the corners. The text "LAKE FOREST" is written in a red, outlined, serif font on the top line, and "BAR & GRILL" is written in the same font on the bottom line. The ampersand is stylized with a small horizontal bar. Three small green squares are placed vertically on the right side of the scroll, and three are on the left side, between the two lines of text.
