

KNIGHT REVOLUTION AND REVOLUTION II RIFLES

PRODUCT SAFETY WARNING AND RECALL NOTICE NOTICE

KNIGHT RIFLES is recalling all REVOLUTION and REVOLUTION II muzzleloading rifles. The recall involves inspection and, if necessary, repair of the rifle's trigger assembly at no charge to the customer.

Reason for the Recall: We have received a small number of reports from the field of accidental discharges of REVOLUTION and REVOLUTION II rifles. While there have been no reports of personal injury to date, any accidental discharge has the potential to result in serious injury or death. Consequently, KNIGHT RIFLES is voluntarily recalling all REVOLUTION and REVOLUTION II rifles to inspect and repair the trigger assembly.

Rifles Subject to the Recall: All REVOLUTION and REVOLUTION II rifles are subject to this recall. No other models of KNIGHT RIFLES are subject to this recall.

Corrective Action to be Taken:

1. **CONTACT KNIGHT RIFLES:** If you own a REVOLUTION or REVOLUTION II rifle, go to www.knightrifles.com and click on the "Revolution Recall" icon.
