

ProClick Pronto® P2000 and P3000 Automated binding solutions

ProClick Pronto
P2000

ProClick Pronto P3000
(with integral punch)

Binding innovation

Increase your print finishing productivity and profit returns with the revolutionary ProClick Pronto P2000 and P3000. These automated desktop binding units create bound documents in seconds—without special operator training. Differentiate your offering by binding with the ProClick® spine. It is easy to edit, stylish, and lies flat for ease of use. Pre-loaded cassettes enable you to bind quickly. Choose from two models: the ProClick Pronto P2000, which turns pre-punched documents into professional presentations, and the ProClick Pronto P3000 — an all-in-one punch and binding system.

Features and benefits

Easy-to-use

- Simple operation; no user training is required to effectively operate
- User-interface provides easy-to-follow instructions as you operate the machine
- Document sizer ensures the correct spine selection every time
- Document alignment light guides book to ensure the perfect bind
- Virtually maintenance free; no special cleaning or gear oils needed

Fast production

- Six-second cycle enables binding of up to 450 books per hour
- Intuitive setup-and-bind procedure facilitates rapid creation of multiple books
- Pre-loaded spine cassettes eliminate the need for loading individual binding spines
