

Solvent Media

Specialty Vinyl Technical Data Sheet

Solvent Canvas 17 mil

Solvent Canvas is utilized for the highest quality graphic art application printers with eco and true solvent inks. Due to its special coating, this high end canvas is suitable for heavy ink loads and uniform area prints also in critical tones. The drying time is excellent and the ink fixation on the surface is optimized. The coated surface is water-repellent and the light stability with common eco and true solvent inks is excellent.
