# NEOLT Electro TRIM Series Paper Trimmers

The Electro Trim paper trimmer is a light duty electric paper cutter specifically designed for the single sheet environment. The cutter head is mounted on a round chrome guide rail with ball bearings. The trimmer head cuts in both directions at sixty inches per second. Either the convenient "touch bar actuator" or foot pedal can be used to initiate each trim.

## Features

- Designed for high volume use and operator comfort.
- Self-sharpening cutting wheel.
- Bi-directional cutting capability.
- Cut is activated by either the foot pedal or the switch bar that runs the length of the trimmer.
- Cuts approximately 40" per second.
- Comes complete with floor stand and wastecatcher.
- Transparent clamp strip lifts automatically.
