WTKMTO12

Our metal framed storage bins offer an efficient option for your storage needs. The **WTKMTO12** storage unit has a durable metal frame and twelve large storage bins that will hold children's toys, books, art supplies, or whatever your needs are! This unit features a vibrant blue metal frame with red, blue, and yellow 16"D x 11 1/2"W x 5"H bins. Frame stands 35 1/2"H and is 37"W x 17"D.

Other storage bins available are our **WTKTO9M**, **WTKTO12S**, **WTKTO12M**, and **WTKTO15S**. The frames are constructed from sturdy molded plastic and contain easy-to-maintain plastic storage bins. The differences you will note are in the size of the bins and number of bins.

Our unique **WTKTO6MS** is a 6 bin organizer with building block top surface that can be turned over for a smooth playing surface! Frame is constructed of sturdy molded plastic.

Tuffy Cubbie Workstations/Activity Desks

Our new Tuffy workstations are creating quite a stir! Made from the same high quality material as our sturdy Tuffy utility carts - you won't find anything more durable - They easily wipe clean and won't chip, crack or peel -**guaranteed!**

These individual workstations come complete with the child's own storage tray that fits snugly down in the center of the work surface, yet can be removed to transport child's treasures if necessary. Create several different learning centers with these workstations. Students can move freely from learning center to learning center, transporting their "own" bin. The trays are covered with a smooth lid that becomes the activity surface for coloring, writing, art projects, etc. These 18" x 24" units can be used individually or, when purchased in quantity, can be placed in many different configurations. Workstations come in either red or blue with a matching bin and lid, and with or without a matching chair.
