Create your own custom designed binder with Vulcan's clear overlay binders. Simply slide your printed cover design inside the clear overlay sleeves on the front, spine and back cover to create a custom binder you can call your own. And, when you want to change your look, simply remove your printed sheet and replace it!

## White Clear Overlay Binders

**ROUND RING:** Polished clear overlay on front, spine and back covers, two opaque pockets on inside covers. Round rings with concealed rivets. Curved sheet lifters included on 1 1/2" sizes and larger.

1-1/2"	12	11112SLNTD
2"	12	11200SLNTD
2-1/2"	12	11212SLNTD
3"	12	11300SLNTD
4"	6	11400SLNTD

## Mini Clear Overlay Binders

Neatly package your small sheet size materials! The binders are designed to hold 8 1/2" x 6 5/8" sheets; they are fully customizable with clear overlays on the front and spine. They come with a 1" capacity straight D metal or a round ring metal with a pocket on the inside front cover.

**WHITE, round ring metal binder:**

CAPACITY	COL LOCATION	ITEM #
1"	FC/BB/BC	BN135010-1

**WHITE, straight D ring metal binder:**

CAPACITY	COL LOCATION	ITEM #
1"	FC/BB	BD435010-1

These versatile binders also include two opaque horizontal pockets inside, with a round ring or angle D metal. Comes with sheet lifters inserted on 1-1/2" capacity and larger.

## Color Clear Overlay Binders

When you need your binders to really stand out, get our color clear overlay binders in black or blue.

**ROUND RING:** Polished clear overlay on front, spine and back covers, two opaque pockets on inside covers. Round rings with concealed rivets. Curved sheet lifters included on 1-1/2" sizes and larger.

### BLACK, round ring metal:

CAPACITY	QTY/CTN	ITEM #
1/2"	12	11012BLKWP
1"	12	11100BLKWP
1-1/2"	12	11112BLKWP
2"	12	11200BLKWP
2-1/2"	12	11212BLKWP
3"	12	11300BLKWP

### BLUE, round ring metal:

CAPACITY	QTY/CTN	ITEM #
1"	24	BC131040-1
1-1/2"	18	BC151040-1
2"	14	BC261040-1

To make it easier to insert your prints into clear overlay binders, open the binder past the normal open position before inserting prints. To save time and money, Vulcan can insert prints for you during the automated binder manufacturing process.

**ANGLE D RING:** Polished clear overlay on the front, spine and back covers, two opaque pockets on inside covers. Angle-D rings with rivets exposed on back cover. Flat sheet lifters included.

### BLACK, angle D metal:

CAPACITY	QTY/CTN	ITEM #
1"	12	11100SLNBLK
1-1/2"	12	11112SLNBLK
2"	12	11200SLNBLK
2-1/2"	12	11212SLNBLK
3"	12	11300SLNBLK
4"	6	11400 SLNBLK

# Stock Eco-Friendly Binders

Now available by popular request! Great looking 1" capacity, round ring casemade binder made with chipboard and a Kraft recycled paper cover. These 100% recyclable binders are made from 77% total recycled content.

**ECO-FRIENDLY, round ring metal:**

CAPACITY	QTY/CTN	ITEM #
1"	12	CMFS100

# Recycled Metal Binders

Who'd have thought a metal binder could be eco-friendly? Well, this one definitely is. It is made from

recycled aluminum with at least 60% post-consumer content

with an antimicrobial agent added to protect the product from damaging mold, mildew and fungus. Perfect for controlled environments as well as rough surroundings. They are durable and lightweight with a protective finish that resists stains. Designed to hold a sheet size of 11"x 8 1/2" plus 1/2" index tab extensions, easy to open and close boosters.

**Round ring metal:**

CAPACITY	QTY/CTN	ITEM #
1/2"	4	602
1"	4	603
1-1/2"	4	604
2"	4	605

business card slits and two pockets on inside. Cover size is 9 9/16" x 12", for letter size documents. Choose from a variety of colors.

COLOR	QTY/CTN	ITEM #
White	50	whitefolder
Silver	50	silverfolder
Light Blue	50	lightbluefolder
Navy Blue	50	navybluefolder
Burgundy	50	burgundyfolder
Black	50	blackfolder

# Single Copy Magazine Binders

Protect and display your single copy magazines with the most widely used magazine cover in the country. Vulcan was founded in 1947 to manufacture this product. Choose from black, red, blue or green.

COLOR	ITEM NUMBER
Black	SM601026-1
Red	SM601036-1
Blue	SM601046-1
Green	SM601056-1

## TRADE TRICK!

For libraries and other organizations that archive magazines for future reference, Vulcan magazine binders can include pockets on the front for reference cards and other vital information. Ask your Vulcan sales rep about enhancing this useful and protective tool.

# Casemade Expandable Trojan Binders

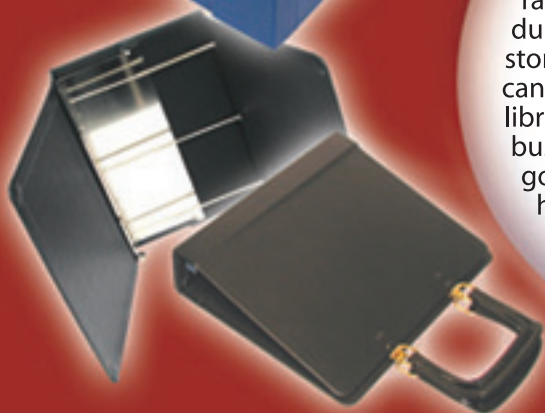

A high-capacity, industrial strength binder, our Trojan binders are made with a heavy duty leather-style Tolex outside material with Skuftex liner. These binders expand to hold collections of materials and are designed for long-term use. Perfect for catalogs, price lists and reference files, the binders are available in black or blue and can also include handle for easy transport.

CAPACITY/ EXPANDS TO	COVER COLOR	ITEM NUMBER
2" to 3"	Black	HB560020-1
3" to 4-1/2"	Black	HB580020-1
3" to 4-1/2"	Blue	HB580040-1
4" to 5-1/2"	Black	HB590020-1
4" to 5-1/2"	Blue	HB590040-1

## DID YOU KNOW?

Trojan Binders expand to hold **60% more material** than their rated capacity. Designed for durability, these binders are ideal for storing records and other materials that can grow from a few sheets into a small library before your very eyes. And for busy professionals constantly on the go, Trojan Binders can also feature handles, making them perfect for carrying product catalogs and samples to and from sales meetings.

## Sheet Lifters

This small investment adds convenience and prevents pages from being caught between the rings.

DESCRIPTION	COMPATIBLE WITH	ITEM NUMBER
Light duty lifter (curved)	up to 1-1/2" round ring	GW580000-1
Heavy duty lifter (curved)	2" plus round ring	GW590000-1
Half page lifter, 11"x5" (flat)	any D-ring	GW600000-1
Full page lifter (flat)	any D-ring	GW610000-1

## Sheet Protectors

Some important sheets simply can't be three-hole punched. Sheet protectors house them safely beneath a durable poly material that loads easily from the top and won't cling to your pages. A reinforced binder edge ensures your sheets stay locked in place.

ITEM NUMBER  
GJ000000-1

## Index Tabs

Get organized with Vulcan's stock index tab sets. Choose from a variety of ready-to-ship, pre-printed or plain index tabs.

PRINTED ON TAB EXTENSION	# TABS PER BANK	# SETS PER CTN	ITEM NUMBER
1 thru 31	31	24	DF000000-1
A thru Z	26	24	STOCKTABS-A-Z
January thru December	12	55	DL000000-1
Section 1 thru Section 5	5	125	DN220000-1
Section 6 thru Section 10	5	125	DN230000-1
Plain Tabs (no imprint/ no mylar/no hole reinf.)	5	144	DC000000-1

Binders are designed for frequent use, and their contents should be durable enough to handle the stress.

When applied to both the tab area and the bound edge, mylar reinforcement can add strength and longevity to index tabs. Using mylar can ensure your tabs are ready for the long haul.

**TIP!**
