There are no set-up or art charges when you submit your artwork on the bookmark template downloaded from [www.vitronicpromotional.com](http://www.vitronicpromotional.com) or received from your sales rep. The template must be edited using AI® CS2 or later and applied to the "Art" layer. All type must be converted to curves, paths, or outlines. Placed images must be 300 dpi, CMYK, and embedded within the artwork. Final product artwork must be saved in AI format with an .ai or .eps extension, or an Illustrator-editable PDF. If you prefer Vitronic set up your art, merely note this on your order and include an art creation charge of \$60.00 (X) per hour.
