There are no set-up or art charges when you submit your artwork on the bookmark template downloaded from www.vitronicpromotional.com or received from your sales rep. The template must be edited using AI® CS2 or later and applied to the "Art" layer. All type must be converted to curves, paths, or outlines. Placed images must be 300 dpi, CMYK and embedded within the artwork. Final product artwork must be saved in AI format with an .ai or .eps extension, or an Illustrator-editable PDF. If you prefer Vitronic set up your art, merely note this on your order and include an art creation charge of \$60.00 (X) per hour.
