Short Description	The Original Wingscapes BirdCam captures digital photos and videos of your birds while you are away. Weatherproof, motion-activated, and easy to use, this revolutionary tool will enhance how we observe enjoy, and learn about wildlife.	The Audubon BirdCam is perfect for backyard and family use. Weatherproof, motion-activated, and easy-to-use, this digital BirdCam captures photos and videos of your birds while you are away.	This enhanced BirdCam has all of the same features as the Audubon BirdCam, along with increased resolution, a timelapse feature, and a flash for nighttime photos!	Fast-forward your plants with this weatherproof, timelapse digital camera. Photos are converted into a video so you can watch a long period of growth in a very short time (example: 1 month in 30 sec).
