Recent Press About BirdCam®

The Wingscapes Birdcam is a digital camera that takes photos and videos of your birds while you're away. Easy to use, the birdcam operates just like any digital camera, and records content that can be viewed on a computer or TV. An educational tool that is wonderful for children, this weather-proof birdcam is a great way to learn what birds use your yard.

– Martha Stewart

Just the thing for bird watchers...

– The New York Times

Amazing...you'll be dazzled by the quality of photos...appreciate detail that you can't easily see, even through binoculars.

– Bird Watcher's Digest Magazine

Birdwatcher's delight...money well spent for the bird lover.

– PC World

A perfect tool for citizen scientists, school projects, or just for fun.

– Chicago Sun-Times

We feed birds so we can see them up close, but then we are too busy...that's why there is the Wingscapes BirdCam...

– Chicago Tribune

"BEST OF THE MUST-HAVES" for 2009. It really is a great product. This year we ventured outside the confines of the gardening world to name it as one of the ten best new "gardening" products for 2009. We've been testing it for a while and love it. Easy to set up and fun to use. Sturdy and weather resistant too.

– Joe Lamp'1, host of GardenSMART on PBS

(Verdict: Sort of Awesome!)...A finely-built piece of hardware that is a treat for bird lovers.Or those who generally love to spy on things...the Birdcam is top-notch...

– boingboing.net (a directory of wonderful things)

The Wingscapes folks have thought of everything...easy to use...pictures were fantastically sharp and clear...if you enjoy watching birds, you want one.

– Anchorage Daily News

Wingscapes has developed a great new product — the BirdCam...I can vouch for the fact that it is quick and easy to set up and start taking pictures.

– Tim Gallagher, Cornell Lab of Ornithology's Living Bird Magazine

If you like birds,...this is your camera. I've just barely scratched the surface of this equipment and I'm already enthralled. As I said, this is the best garden equipment of 2008. I'm a big fan.

– Doug Green's Garden Blog

Here's a cool thing—I'm testing out a "BirdCam"—a great little weatherproof remote camera...it took me no longer than 5 minutes from opening the box to getting it up and running, too!

– Laura Erickson

If you've got a bird-watcher on your Christmas gift list, I've got some suggestions.
