

**WireMac M** (3:1 Pitch machine shown here)

## WireMac M

The WireMac M renders efficiency and productivity. Its full range of functions and state of the art mechanisms were especially designed with one goal in mind: to fully meet the needs of the wire binding industry!

### Product Summary

- ▶ Medium-Heavy Duty Manual punch with manual wire closer.
- ▶ 20 sheets single punching capacity (20 lbs paper).
- ▶ Available in 3:1 or 2:1.
- ▶ 14" width punching capacity with open sides for even wider documents.
- ▶ All dies can be independently disengaged, to allow the punching of any size document while preventing partial side-end perforation.
- ▶ Closing capacity:  
WireMac-31: From 3/16" to 9/16"  
WireMac-21: From 3/16" to 1 1/4"
- ▶ All metal construction.

|                                  |                          |                               |
|----------------------------------|--------------------------|-------------------------------|
| <b>Model:</b>                    | <b>WireMac-31</b>        | <b>WireMac-21</b>             |
| <b>Pitch:</b>                    | 3:1                      | 2:1                           |
| <b>Punching Length:</b>          | 14" (40 dies)            | 14" (27 dies)                 |
| <b>Disengaging Dies:</b>         | All 40                   | All 27                        |
| <b>Hole Punch:</b>               | Square (0.157" x 0.157") | Rectangular (0.157" x 0.217") |
| <b>Binding Thickness:</b>        | From 3/16" to 9/16"      | From 3/16" to 1-1/4"          |
| <b>Single Punching Capacity:</b> | Up to 20 sheets (20 lbs) | Up to 20 sheets (20 lbs)      |
| <b>Closer Selector:</b>          | Included                 | Included                      |
| <b>Closing Mechanism:</b>        | Vertical                 | Vertical                      |
| <b>Master Selector:</b>          | Included                 | Included                      |
| <b>Metal Wire Snatch:</b>        | Included                 | Included                      |
| <b>Wire Diameter Scale:</b>      | Included                 | Included                      |
| <b>Side Margins Control:</b>     | Included                 | Included                      |
| <b>Punching Margin Control:</b>  | Included                 | Included                      |
| <b>Weight / Volume:</b>          | 45 lbs / 2.55 Cb Ft      | 45 lbs / 2.55 Cb Ft           |
| <b>Warranty:</b>                 | 1 year                   | 1 year                        |

**Die Disengagement Pin:**  
For a clean and complete punching of different paper sizes.

**Vertical Wire Closer**

**Wire Closer Selector:**  
With gradual adjustment, to prevent any under/over closing, for a secure closure every time.

Its double handle system makes it more efficient; easier and faster to use; longer lasting.

**Wire Diameter Scale**

**Side Margin Control**

**Waste Drawer**

**Heavy-Duty All Metal Construction**

**Wire Snatch:**  
Holds the wire in place for an easier inserting of sheets.

**Wire Master Selector:**  
Determines the correct Wire size to be used Margin Depth Closure

**Open Sides:**  
Allows the punching of documents wider than 14".

**Punching Margin Control:**  
Provides the correct punching margin depth needed for all wire sizes and maximizes the document's tear resistance; vital for bindings over 3/8".

**Wire Closer Selector:** Gradual adjustment ensures a secure closure every time.

**Wire Snatch:** Holds the wire in place for an easier inserting of sheets.
