

HD 4470 Comb Opener Module

Finally!! A binding machine that increases throughput and decreases binding time.

The Rhino HD4470 Comb Opener has an extra large support shelf that makes the binding of even large two inch oval backs a breeze. Designed with throughput in mind, it even has a changeable handle for left handed or right handed operators.

This machine comes with stand alone feet. You can purchase the mounting hardware for attaching to the top of the Rhino HD Series punch machines.

(Mounting bracket available - call for quote)

FOR BOTH HD AND OD SERIES PUNCHES

HD 4470 FEATURES:

- ☑ Will bind up to 2" (51mm) thick and 14" (356mm) Wide.
- ☑ The opener has an adjustable ring opener control for exact book placement. Also, handle can be moved to left or right side for use with either left-handed or right-handed operators.

THE ULTIMATE IN:
*Quality Paper Punching
 and Book Binding
 Equipment at Affordable Prices*
 Made in U.S.A.
