

HD 7700 ULTIMA PUNCH MACHINE

The HD-7700 Ultima is a deluxe Table Top Punch that has no equal. Combining the Rhin-O-Tuff patented Quick Change Die System with the following **exciting new features**:

- **14 " (356mm) open ended extra capacity die:**
Handles 40 – 55 sheets of 20lb bond paper, depending on punch pattern
- **U-View waste tray:**
Holds up to **150% more waste** than any other table top punch & eliminates troublesome overfills.
- **The Accu-Set Paper Stop:**
Set-up all hole placements **easily & accurately**, even on odd sized paper.
- **Diagnostic Display Lights:**
Give indications of important machine conditions.
- **Built in Automatic and Manual Reverse:**
Providing extra insurance to eliminate costly down time & expensive service calls due to overload jams.

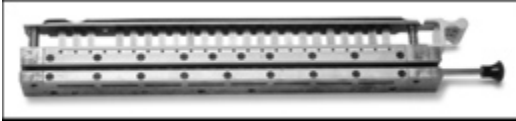

With these new features plus all of the standard features you have come to expect from a Rhino, this Performance Design **Deluxe Punch** will handle any size project, large or small. Additionally, when your volume dictates, **the HD7700 can be upgraded later to a fully automatic punch.**

As with all Rhin-O-Tuff's the HD-7700 comes with a 1 year limited warranty on both machine & die
