

Crimp@Coil

Electric Double-Sided Coil Crimpers

Speed up your coil binding process with this time saver! The Crimp@Coil is an easy to use electric coil crimper that cuts & crimps a both side of the coil at the same time, preventing it from rolling back out of the holes of your document.

The Crimp@Coil's unique design accommodates all coil sizes from 8mm - 50mm, without the hassle of interchanging any parts. Its simple 5-Step setup only takes the operator seconds to change coil or sheet size settings.

The Crimp@Coil is the ideal choice for high-volume binding facilities, as well as anyone who wants to avoid using manual crimping pliers during the coil binding process. Save time and money by ordering your The Crimp@Coil today!

Product Details

- ▶ **Electric Double-Sided Coil Crimpers with adjustable knives:** Avoid manual coil crimping process and improve productivity.
