

ROTATRIM DIGITECH+

DigiTech+ Rotary Trimmer

A heavy-duty "all day, everyday use" trimmer drawing from the design elements of the proven Professional, the DigiTech+ offers the same dynamic features, plus a very large format that cuts up to 100". Using the same self-sharpening, hand-finished tungsten steel blades as the Professional, the DigiTech+, like all Rotatrim trimmers, is engineered for total cut precision.

- A strong 1 ¼" stainless steel guide rail provides cutting head stability.
- A single roller mechanism results in lighter cutting action (maximum cut depth of up to 2mm).
- Extruded aluminum baseboard, end frames and head- plus an aluminum square side rule- ensures extreme robustness.
- An auto-lifting clamping mechanism locks materials into place as the head begins to cut, then automatically releases at the completion of the cut; prevents material and substrate scratching.

DigiTech Sizes

<u>Item#</u>	<u>Cut Size</u>
60301	26"
60311	38"
60321	49"
60331	61"
60341	73"
60361	100"
69106	Cutting Wheel

Stand & Waste Catchers

<u>Item#</u>	<u>Description</u>
62810	For the 60301
62812	For the 60311
62814	For the 60321
62816	For the 60331
62818	For the 60341
62820	For the 60361

- Heavy-duty use
- Extruded aluminum baseboard, end frames and head
- 5-year parts warranty
- Cut depth up to 2mm
- Self-sharpening Sheffield Steel cutting wheel
- Hand-finished flat blades
