

Instruction Sheet - Multi-Height Endura Video Tables

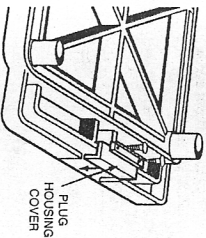

Endura Models LEL-DUO and LEL-DUO

Congratulations for having chosen an excellent Luxor product.

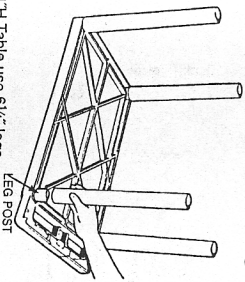

Your purchase is backed by Luxor's satisfaction guarantee. Luxor is a service oriented company. As a service to you, we are enclosing a "satisfaction guaranteed" request card. Should a problem arise needing our assistance simply fill out the card and fax it to us toll-free or mail postage paid to Luxor. Be sure to include your telephone

IMPORTANT:

The electric unit should be assembled first. See reverse side. If your Endura table does not have the Electrical Assembly and Cable Track™ Cord Management System start by closing the electric plug housing in the handle of the top shelf as illustrated below.

WARRANTY

The Luxor Lifetime Warranty:

Luxor Endura Tables are fully warranted when used for their intended purposes. Use for other purposes, wherein weight loads become excessive, will negate the warranty and may create a safety hazard.

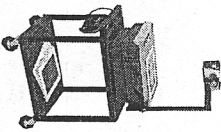

LE-DUO and LEL-DUO multi-height Endura tables enable you to assemble four different heights in one table. LEL-DUO 16" and 26" table and LEL-DUO 27" and 40" table have two shelves. LE-DUO 34" and 42" table and LEL-DUO 48" and 54" table have three shelves.

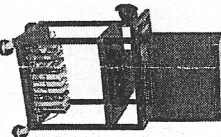

Position center shelf (with 8 leg posts) ribbed side up, over the 4 legs and insert leg posts into legs. Using a rubber mallet, firmly hammer center shelf into leg posts until all 4 legs are seated (flush) against the surfaces of both shelves.

PLACE LOCKING CASTERS AS ILLUSTRATED

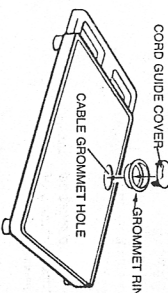

Push the four casters firmly into the holes in each corner of the bottom shelf. Important: Casters must be fully seated. Tap firmly with rubber mallet to properly seat casters. Turn your Endura table right side up.

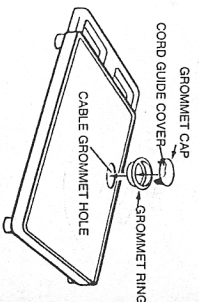

Position bottom shelf, ribbed side up, over the 4 remaining legs and insert leg posts into legs. Using a rubber mallet, firmly hammer bottom shelf into leg posts until all 4 legs are seated (flush) against the surfaces of both shelves.

GROMMET CAP
CORD GUIDE COVER
CABLE GROMMET HOLE
GROMMET RING

Install grommet ring by tapping into place with rubber mallet. Insert grommet cap as illustrated. For tables with electric assembly, snap off cord guide cover from grommet cap so equipment plug may be run through grommet to plug unit, then insert grommet cap into grommet ring. Your Endura Mobile Table is now ready for use.
