Parts List

2 Shelves

1 Handle

4 Leg End Caps

28 Shelf Supports

2 Casters with brake

2 Casters No brake

4 Legs

1 Basket

1 Wrench

1. Install shelf supports onto the lowest grooves of the legs. Insert leg end caps into the top of legs. Slide legs through the corners of one shelf and fully seat onto plastic shelf supports.

2. Install second batch of shelf supports onto legs to desired height of the middle shelf, and install shelf. Attach 2-sets of shelf supports to either side of the cart, and slide handle onto shelf supports.

3. Attach a third set of shelf supports to the top of the legs and attach the basket shelf.

Turn cart onto it's side and install the casters. Be sure the two casters with brake are on the same side. Tighten with wrench.
