TWO PEOPLE SHOULD ASSEMBLE THIS CART

Cart Assembly Instructions:

1. Separate and Identify Parts.
2. Attach shelf with logo to side panel using shelf screws provided. Secure using screwdriver. Attach lower shelf with no logo in the same manner as shown in diagram below.
3. Follow same procedure for other side panel.
4. Logo on shelf is the front. Tap casters with brake in the front and casters without brake in the back.

Electrical Assembly Instructions:

1. Turn cart so that the side you want to install the electrical assembly onto is towards you. Place Metal Cordwrap over top shelf, lining up pre-drilled holes.
2. Place the two screws through the holes of the electrical.
3. Fit the electrical assembly over the holes on the side of the shelf so that the screws are going through the holes.
4. Secure screws with wingnuts from underneath the shelf.
