

It's 32°. It's sleeting. It's a great day for a Knight.

*Knight Extreme
.50 Caliber
Stainless Steel/Black (DE706C)*

For over 20 years, serious hunters have trusted Knight muzzleloaders to fire come hell or high water! Our Full Plastic Jacket™ forms a perfect seal to keep out moisture to assure reliable ignition no matter what kind of weather Mother Nature throws at you.

AT 100 YARDS

And when it comes to accuracy, you can't find a more accurate in-line muzzleloader. In fact, Knight is the only manufacturer that offers a guaranteed shot accuracy at 100 yards.

When you only get one shot, make sure it's a Knight.
