

BOOYAH™

BAIT CO.

2006

IT'S MORE THAN A BAIT. IT'S AN ATTITUDE!

BOOYAH! The sound of catching fish just got louder. From our unique head designs to our exclusive skirt formulations, each BOOYAH™ bait is made the way you would make 'em, with a level of craftsmanship second to none. And because we use only the finest components, BOOYAH™ baits are built to last.

So stop messing around with hit-and-miss, flash in the pan baits and tie on the lure that's designed to catch fish, not fishermen.

BOOYAH™ – Say it Loud. Say it Proud.™

SWIM'N JIG™

Our Swim'n Jig will change the way you fish. Really. No other jig will run where it runs and none will produce the vicious strikes that follow. This flat-bottomed, arrowhead jig is designed to be reeled quickly across and through the nastiest, most gnarly cover a fish can live in. This uncommon jig retrieve is termed "swimming." Pro fishermen quickly learned this fishing technique is a tournament winner. So is our jig. Innovative and cutting edge, it's designed to catch fish, not fishermen.

See page 53

DANCIN' BUZZ™

Who knew? We did. At times the lure that looks more like a weed eater than a buzzbait catches more fish. The Dancin' Buzz casts easily and buttons up bass at the business end of its 15" frame. Innovative? You bet! BOOYAH is about cutting-edge products that are built to last.

However, after fishing with BOOYAH's 15" BOOYAH™ Dancin' Buzz, Dance said, "This thing looks crazy, but I promise you it catches fish!"
