

VT7900

Standard Magnetic Bookmark

FRONT

BACK

****Please be advised****

We do not recommend that you place a calendar on the back of the VT7900 as the type will be very small.

However, if you wish to have a calendar, please use the one provided.

Refunds will not be provided if the calendar appears blurry or if you choose to use your own calendar template.

Thank you,
Vitronic Promotional Group

Maximum Bleed Area. Please DO NOT exceed the max-area. Please use it at the exact edge.

Cutting area. Please DO NOT place any element close or over unless you intended/in purpose to be cropped

Safe. Place all your elements and text within the SAFE AREA (1/16 from the cropping edge/red line).
