## Jumpin'® Minnow<sup>™</sup>

The 3 1/2 inch T10 Rebel Jumpin' Minnow has re-surfaced after a period of obscurity, during which time, veteran anglers vigilantly guarded their remaining stock. A Jumpin' Minnow glides from side to side, skimming the surface like a baitfish fleeing a furious predator, and its old-style lead rattle creates a distinctive call that beckons fish from far away. It casts like a bullet and ranks among the easiest to work of all walking baits.
